

San Ysidro/Tijuana “EL CHAPARRAL” Border Crossing DIRECTIONS TO IMMIGRATION TO GET YOUR FMM STAMPED & CUSTOMS IF YOU HAVE SOMETHING TO DECLARE

1. As you near the end of the freeway, you'll want to be in the far right lanes. You'll approach the old border crossing. Follow traffic to make a 90 degree right turn.

2. Continue 1/3 mile ride along the border (US side). Stay in the far right lane and follow the signs for “autodeclaración.”

3. While other traffic will turn left to cross over the border, stay to the far right and head into the parking lot behind the fence (where the large Mexican flag is).

4. Go into the blue building with your FMM, receipt, & passport. You may need to follow signs to walk around the right of the building to enter in the back. Show them your FMM & receipt and go to window 7 or 8 to have the FMM stamped. You can exit to the parking lot through the sliding glass doors.

5. Exit the parking lot to rejoin traffic and head south across the border.

6. After crossing the border, stay in the far right lane to get to the toll road and head up the ramp to Playas de Tijuana/Rosarito-Ensenada.
